

## Annual Giving

Annual giving is essential to any nonprofit organization. The Children's Hospital relies upon the generosity of those who support the hospital year after year. We thank the following donors whose outright gifts and gifts in kind given through The Children's Hospital Foundation have helped the hospital meet its greatest needs during 2008.

Red indicates a Children's Miracle Network Donor/Partner

### Children's Circle of Courage \$2,500-\$4,999
