

Charles C. Gates

SOCIETY

Charles C. Gates Society

The Charles C. Gates Society recognizes extraordinary donors of \$1 million or more over a lifetime. A generous philanthropist, Mr. Gates believed in transformational giving as an investment in a community and a cause.

He was a longtime supporter of the hospital, and until his death in 2005, he served as honorary chair of *The Imagine the Miracles Campaign for The Children's Hospital*. Over the years, the entire Gates family has given generously of both their time and treasure. We are profoundly grateful to the following individuals who have made a tremendous investment in children's health and who, in so doing, have honored the memory of Charles C. Gates.
