

## Tammen Society

The Tammen Society honors individuals who have notified The Children's Hospital Foundation that they are making a deferred gift to The Children's Hospital.

Harry and Agnes Reid Tammen were among The Children's Hospital's earliest and most important philanthropic supporters. Harry H. Tammen gave Children's its early motto, "For a Child's Sake." The Tammens used much of their wealth in 1924 to establish the Tammen Trust to help Children's provide health care for children whose families could not afford to pay.

With gratitude, The Children's Hospital recognizes realized and irrevocable estate gifts of \$100,000 or more and life income gifts of \$50,000 or more.
